About ADLIS-WEIYIN Corporation

The concept in the new technology is the future.
Simplicity of communication, individual solutions for customers.

Our concepts reflect our imagination and common sense.

We provide a wide range of services, Design 3D/AR/VR/CAD...

We create all the ideas, manufacturing our and your products.

We design prototypes, give us your idea and we create it.

Aaron Donadey
CEO of Adlis/Weiyin Corporation
