About ADLIS-WEIYIN Corporation

The concept in the new technology is the future.
Simplicity of communication, individual solutions for customers.

Our concepts reflect our imagination and common sense.

We provide a wide range of services, Design 3D/AR/VR/CAD...

We create all the ideas, manufacturing our and your products.

We design prototypes, give us your idea and we create it.

Aaron Donadey
CEO of Adlis/Weiyin Corporation

All our products can be customized to the client's request.

- Paint Colors
- USB
- wireless
- Wood color
- Router
- Advertising

And much more.

We can change the standard measurements of our products but it will have an extra cost for the artwork engineer.

SMART CITY INTEGRATED MANAGEMENT SYSTEM

SMART CITY - AI

Components Connected with NVIDIA AI JETSON

Our Standard Platform

- Sensor Alarm
- Motion Sensor
- Sensor Temperature
- Bluetooth Speaker
- USB Charger
- Wireless Charger
- Solar Panel
- MPPT Controller
- Led Light / Intensity - ON/OFF
- Timing Schedule
- Battery
- Router
- LED SCREEN
- GPS

Components Connected with NVIDIA AI JETSON

Optional:

- Sensor CO2
- Sensor Waterproof
- Sensor Humidity
- Sensor Wind Speed
- Sensor Wind Direction
- Sensor Atmospheric Pressure
- Sensor Noise
- Sensor Filled Alarm
- Sensor PM10 - PM2.5
- Sensor Bin Automatic Door
- Sensor Bin Capacity
- Sensor + Laser People Counters
- Trash Compactor Control
- Desinfection
- Network Notice
- Smart Voice
- Voice broadcast
- Digital Display
- AC-DC Power Inverter
- Camera
- Cooling System

ADLIS SMART CITY INTEGRATED MANAGEMENT SYSTEM

ADLIS CLOUD PLATFORM

Each of our products can be configured with different options. With our Hardware-Software combined with NVIDIA AI JETSON BOX allows us all possible options for total Smart City

BASIC PLATFORM

Licences Prices Month
Prices Cloud Month
1 to 200 JETSON BOX Connected

PREMIUM PLATFORM

Licences Prices Month
Prices Cloud Month
200 to 1000 JETSON BOX Connected

FULL PLATFORM

Licences Prices Year
Special Cloud Prices
Full JETSON BOX Connected

ADLIS HOSTING SERVER

Each NVIDIA AI JETSON BOX connected to our products is configured separately. We configure the JETSON BOX with a different protocol for each product. The configuration has an additional cost that is paid once. The cost depend on the configuration and components.

Full JETSON BOX Connected

ADLIS SMART DATA

We manufacture the chosen Model and connect one NVIDIA AI JETSON BOX. We configure the JETSON BOX with our platform with unique protocol. Unique link for each Distributor and Client to control our platform and manage the data of each component.

BASIC PLATFORM

Standard Data Smart Components
Extra cost for more Components

PREMIUM PLATFORM

Standard Data Smart Components
Extra cost for more Components

FULL PLATFORM

Extra Data Smart Components
Extra cost for Special Components

- Our Platform is configured with the standard components in all our models.
- Standard components connected to an NVIDIA AI Jetson Box to be able to control all Standard components and manage data.
- Each Jetson Box has an extra cost: **MODEL + JETSON BOX + Platform Plan**
- To receive information about our standard components list and prices for Basic/Premium/Full Platform contact: mori@adlissmart.com / Office@OpTeamizer.co.il

For more information about our AI NEW GEN Platform contact:

mori@adlissmart.com

Office@OpTeamizer.co.il

The concept in the new technology is the future.

Simplicity of communication, Individual solutions for customers.

Our concepts reflect our imagination and common sense.

We provide a wide range of services, Design 3D/AR/VR/CAD...

We create all the ideas, manufacturing our and your products

Solar/No Solar Smart Street Furniture

All our products can be customized to the client's request.

- Paint Colors
- USB
- wireless
- Wood color
- Router
- Advertising

And much more.

We can change the standard measurements of our products but it will have an extra cost for the artwork engineer.
