

**We Don't Make The Future,
We Make The Future Better**

**ADLIS/WEIYIN
CORPORATION**

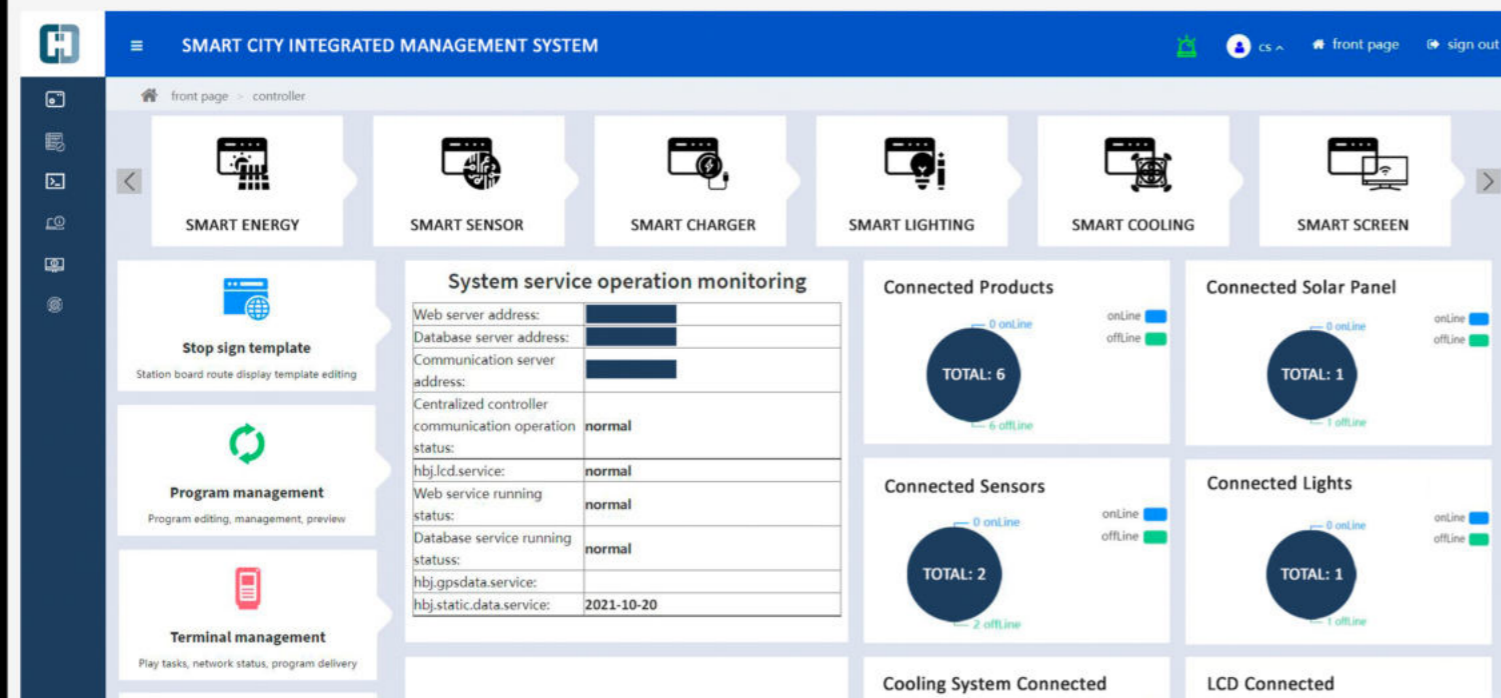

All of our Smart Bus shelters come with Adlis Smart Box to connect it to our platform.

Choose which type of Smart Box suits you best for your project and we will manufacture and configure your Smart Box / platform.

- Each Adlis Smart Box comes with the intelligent components to be able to control each one from the platform / APP.
- We can configure Your platform with additional functions that the client needs.
- Each Smart Box comes with a unique protocol
- Each Smart Box is configured independently (Hardware)
- Each configuration of the Smart Box on the platform is independent of the others (Software)

With our Platform/APP we enter the future of Total Smart City.
