10 mm tempered glass	NO
Large LED light box	NO
Small LED light box	NO
SOS security	SOS BUTTON: OPTIONAL
Network broadcast	OPTIONAL
Smart voice	OPTIONAL
Bin compressor	NO
Disinfection	NO

Battery message
 The controller works well above-40C. while the working efficiency of battery is getting less and less under 0C, when -10C it already doesn't work. Yet after the temperate rises back to over 0C, it will work again. Therefore, in very cold winter the chargers on bench don't work.
 In good sunshine, the battery is fully charged in about 7-8 hours.

A. Description and function:

The Adlis Solar Mobile Charging Bus shelter is perfect for short term mobile multi-taskers or a connection space for focused tasks. its charges 2 devices simultaneously.

Works with all Apple, Android and other popular devices.
